Dear Members

Please find enclosed the Worship Service Roster, Morning Tea, Church Cleaning & Mowing Rosters for March 2021.

If you are unable to do your rostered duty, please organise a change with someone else, thank you.

- **Ushers** – please note: **Remember to do the COVID cleaning while ushering** and also **remember to fill out record sheet (in the vestry) with the attendance, communion numbers, and the offerings, as without these figures our records are not accurate.**
- **Morning Tea** – has been added to the roster as many hands make light work.
- Readers please use your bible for the readings or the Bible on the lectern.
