mealtime prayer

You who feed the birds of the air, bless
this food, Lord God. Amen.

Service

God's creation provides
all we need for daily
living, but greed, power
and wars create
situations around the
world where many people
live in serious want and
die for a lack of food
and clean water.

As a citizen in a free
country, learn about what
we can do as a nation
and as a church to make
a difference for the billions
of people who go to bed
hungry each night and
live with hunger-induced
diseases.
